Subject: Reclamation Surety Received, MMG Mining, Bald Knoll Project, S/025/0012, Kane County, Utah

Dear Mr. Carter:

The Division of Oil, Gas and Mining sent you a letter on August 24, 2009, requesting an increase in the reclamation surety for the referenced mine. We received that surety on September 13, 2010 and the updated reclamation contract on October 12, 2010. They have been approved, and your surety is now good until 2013 when it will be reassessed. Enclosed with this letter is a copy of the signed reclamation contract.

Thank you for your cooperation in complying with this important permitting requirement. If you have questions or concerns regarding this letter, please contact me at 801-538-5261 or Tom Munson at 801-538-5321.

Sincerely,

Paul Baker
Minerals Program Manager
